

Calisto Table

01344 The Calisto table is a wheelchair-friendly, functional, and very cosy table with a wooden support and four legs. This table has a whole range of applications.

Support

- 4 laminated legs (60*35 mm).
- Each leg is firmly screwed on the tabletop.
- The wooden parts are finished with a coat of varnish.
- The legs are equipped with synthetic glides.

Tabletop

- Made of double-sided stratified chipboard (thickness: 20 mm).
- The top and bottom is finished with a HPL layer.
- The corners are rounded.
- The table edges are finished in accordance with the choice of the tabletop.

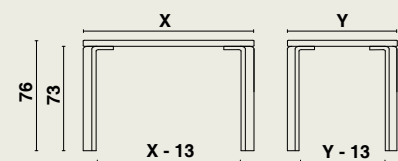

Colours

We would like to refer to our extensive colour gamut.
Sample card + samples available on request.
