

Domus Club-1 Flex

09710 Do you want to sit together or alone? The Domus Club makes ample combinations possible. Standing up is no problem, thanks to the firm, rounded armrests and the adapted seat height.

Support

- The rounded sides consist of 2 OSB boards, and are firmly connected to the seat structure by means of solid beech beams.
- The sides are upholstered with fire-retardant foam.
- The upholstery is finished with imitation leather and decorative stitching.
- Comfortable rounded armrests of ± 5 cm.
- Dinner tray attachment (wooden armrests).
- All edges and corners have been rounded.
- No visible fastening elements.
- Design castors \varnothing 65 mm with brake.
- Optionally possible on solid beech legs, with aid castors at the back.

Seat structure

- Backrest and seat offer extra comfort, thanks to the comfort foam (backrest= 9 cm and seat= 11 cm).
- The rounded seat in front stimulates a fluent blood circulation.
- Comfortable seat height of 46 cm.
- Upholstered with fire-retardant foam and is finished with imitation leather.
