

Silkor Dubai

Dubai (UAE)

Established in Beirut Lebanon in 1997, Silkor is a chain of cosmetic surgery clinics. The company specializes in treatments that promote smoother, more radiant skin, for both men and women. Treatments are performed by highly skilled plastic surgeons, dermatologists and medical practitioners and take place in a relaxed comforting atmosphere.

Haelvoet is pleased to be a partner in this beautiful project and provided the new rooms of Silkors state-of-the-art Cosmetic Surgery Centre in Downtown Dubai of Aron+ beds and Advance bedside tables. The exclusive look of our Aron+ beds with anodized aluminum beams and high-low columns fits perfectly in the privileged setting of the surgery center.

Scope of the project: 4 rooms

Date: Autumn 2017
